

# SOPHIE MEYER

## Profil

I'm a recent graduate with an MA in Costume Design and possess relevant professional experience gained during three internships and as an assistant designer in theatre and film. During my studies, I have developed excellent time budgeting and organisational skills due to a series of close-knit course-work deadlines. As a result, I am incredible adaptable and able to work well under pressure effectively. Various of my design projects have been collaborations, which helped me become a fair and honest team-player and maintain a positive and open attitude towards others in stressful situations. I am looking to secure a place in a costume department in either film or theatre, with the opportunity to gain experience and progress into assisting a costume designer or costume supervisor.
